Jerry Harrelson to Join NEMCC Sports Hall of Fame's Thirteenth Class

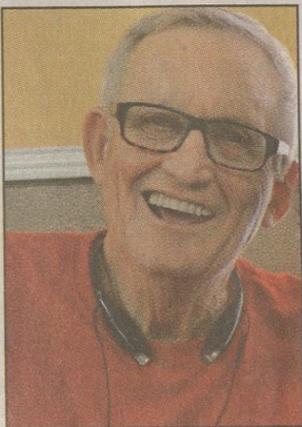

BOONEVILLE, Miss. - The Northeast Mississippi Community College Sports Hall of Fame will recognize its 13th class of inductees Thursday

Eric Batchelor, Jerry "Lefty" Harrelson, Tim McDonald and Steve Stevenson are set for induction on Thursday, October 14, at 4:30 p.m. in the Claude Moore Room of the Haney

Jerry "Lefty" Harrelson (Hall/Men's Basketball, 1955) will be honored. He and his wife Lana made Iuka their home for many years as both were educators in the Tishomingo County School System. They raised their son Richy Iuka, and they were all active members of the community and loved by all.

Jerry "Lefty" Harrelson's life was filled with sports essentially from the beginning. He grew up in rural Prentiss County and participated in youth baseball teams in Baldwin, Corinth and Tupelo. Harrelson was a sharp hitting basketball player that stood out on the diamond as well as at Wheeler High School. He earned a spot on the North Mississippi All-Star team following his senior season on the team in 1962.

He accepted scholarship to continue his athletic career at then-Northeast Mississippi Junior College. Harrelson was named up for multi-time hall of fame headman Bonner Arnold and coach Hughes on the baseball

Harrelson spent the majority of his professional career as a coach and an educator. He held various positions for baseball, boys basketball, girls basketball and football teams at Burnsville, Iuka and Jumpertown schools over the course of 16 years.

He resigned from his coaching duties in 1987, but continued to teach for nearly two more decades at Colbert County (Ala.) High School, Hardin County (Tenn.) Middle School and Iuka Middle School.

The subjects he instructed included drivers education, history, physical education, social studies and special education. Harrelson officially retired in 2006 with a total of 35.5 years in the public school system between his five stops in the tri-state area.

Harrelson's impact on local sports extended well after he blew his final whistle in the 1980s. He served Iuka High School as a bus driver for its athletic programs and was the public address announcer for the baseball team from 1987-92.

He was the basketball game clock operator for Tishomingo County High School after the school districts consolidated in the early 1990s. Harrelson also umpired baseball at the prep level for many years and received several postseason assignments.

Harrelson proudly followed his son Richy Harrelson, who is now the head baseball coach at Northeast, around the state and the Southeast in general during his record-breaking playing career.

Oak Grove Cemetery Needs YOU!

Work continues to be done in the cemetery as volunteers are available, yet there is still so much that needs to be done. The gate in the center of the cemetery needs to be rebuilt, the Colonel Moore entrance sign needs to be re-installed, the stone wall surrounding the cemetery has to be repaired, the remaining damaged trees and stumps need to be removed and new landscaping must be made. All this work will take money that the city does not have at this point. No one could have predicted the devastation caused by the August 21st tornado.

If you are in a position to help with this work, your contributions are needed. You may choose to donate in memory of a loved one who is buried in Oak Grove or simply as a way of assisting in their vital cause. Checks made payable to Oak Grove Cemetery and may be mailed to 118 S Pearl ST, Iuka, MS 38852. Suggestions may be emailed to friendsofoakgrovecemetery@gmail.com. Friends of Oak Grove Committee

Cemetery entrance gate which is dated 1866 in honor of Col. John L. Moore, fell during the storm and remains stored for sale keeping until rock posts are rebuilt.

Much clean up has been done around the gazebo but the structure still needs to be rebuilt. This photo was taken just after the storm hit. The road is now clear.

Congratulations to Chance Brownlee. This handsome boy is the Pet of the Week at Iuka Animal Clinic. His owners are Norm & Mary Brownlee. Chance is a Golden Retriever who just turned seven years old this past September. Mr. & Mrs. Brownlee brought Chance to his new home when he was eight weeks old. It was a decision that changed their lives forever. Now Chance is a big part of the family and is loved very much. Chance loves people and is very loyal, smart, and caring. He loves hanging out at the pond watching the fish. He pays such close attention to his humans that he seems to know what Mr. & Mrs. Brownlee are going to do just before they do. Chance is a wonderful companion and a great example of man's best friend. Now that Fall

is here many of us humans love to decorate and whether you're a fan of football, festivals, Halloween, or all things pumpkin spice, there is plenty to love about fall. The change in seasons also brings about new potential dangers for our pets. Always be thoughtful about where you use fall decorations. Plastic pumpkins, skeletons, or other décor with small pieces can be tempting for curious pets to chew on or play with but can cause dangers for choking or a blockage if ingested. Many fall displays also include corn cobs which are notorious for sending pets to see a surgeon for removal. Other than

decorations, there are known for apests, the most of which are ticks. Iuka Animal offers many parasite prevention weather can also daily so always weather report you and your prepared for changes. Dr. J is available to your pet and office in Veterinary care for an appointment at 423-3470.

Jean Dean Hester

Jean Dean Hester, 74, of Iuka, MS, passed away on Saturday, October 9, 2021, at Sanctuary Hospice House in Tupelo, MS. She was surrounded by the family she loved so dearly. Jean fought a 15-month battle against cancer, never giving up, but fighting with the same spirit she had lived her life - "play hard". A beloved wife to Terry for 54 years and a devoted mother to Kelly and Tiffany, Jean touched many hearts and made many friends during her life. She was an avid basketball, baseball, and football fan. A lover of Mississippi State Bulldog sports and the Tishomingo County Braves, she was always in the stands, so happy, cheering her team on. Because of Jean's enjoyment of tennis, their children surprised her and Terry on their 50th wedding anniversary with tickets to Flushing Meadows, NY, to see the Men and Women's 2017 USA Open Finals. She was a lifelong member of Rocky Springs United Methodist Church where she played the piano since her 9th grade year of high school. Jean also directed the church Christmas cantatas for over 30 years and enjoyed it greatly. She strived to give her Savior praise and glory through her song and music. She graduated from Iuka High School and attended Northeast Mississippi Community College. Jean lived in Iuka her entire life, with the exception of the 15 months she and Terry spent in Bayreuth, Germany, while he was serving in the United States Army. She enjoyed being a teacher's assistant for many years at Iuka Elementary School and loved spending time with her family.

Pallbearers were Jason Cutshall, Brandon Edwards, Tate Cutshall, Chuck Holly, Blake Holly, and Tommy Dean, Jr. Honorary pallbearers were Earl Solomon, Tommy Frederick, and Benny McClung. Aline Ray Moore

Aline Ray Moore was born on August 6, Bertie and Harper Ray. She was the oldest girl in a family of eight children. She had 5 brothers: Walter Harper, Leonard, Troy, and Ned. She had 2 sisters: Umfress Lambert and Alpha Mosley. Aline met Terry Moore in the community of Eastport around the year 1940. They were soon married in 1943, and in 1944 had one son, Dale. Dale was the completion of her life at the young age of 19, and she made that year known. Throughout their 61 years of marriage, Aline and Terry lived in multiple towns and approximately 15 different houses. Aline greeted the locals as she worked in numerous restaurants and cafes around town. She worked in short stints at Israel's Wholesale in Saltillo, AL; Weaver's Pants Factory in Corinth, MS; and in Corinth, MS; Genesco's Shoe Factory in Iuka, MS, and Paden Shirt Factory in Holcut, MS. She also made deliveries on both the Colonial Bread and the Tom's Peanut Truck, all the while making her primary job as a home-maker. Aline attended her brother-in-law's church, Moore's Chapel.

On Aline's 63rd birthday, she welcomed her only grandchild, Faith, and she soon became known as "Mammaw" - her favorite title. Terry's Faith's life, she made a point to tell her that she had a birthday away to her.

Through the years, Aline was the primary caregiver of numerous sick, aged, and dying family members. Delicious meals were delivered to many homes. Phone calls to check-in on her loved ones were frequent. Aline loved her family and Jesus, and she was ashamed to tell anyone of her faith in Him. She lived without ceasing and a melody was always in her mind, and in the air surrounding her as she frequented throughout the day. She enjoyed the daily tasks of ironing, gardening, cleaning, hanging laundry, and ironing any and everything she could find. She enjoyed reading her Bible, working crossword puzzles, and playing Bingo with her friends at Hardee's and the Tishomingo Community Center.

Aline lived through numerous historical events including: The Great Depression, World War II, the Korean Conflict, The Space Race, The Cold War, the Civil Rights Movement, Putting a man on the moon, Vietnam, the fall of the Berlin Wall, The Gulf War, the Information Age, 9-11, and a Global Pandemic.

Aline was preceded in death by her mother, 5 siblings, her husband, 2 nieces, and 2 granddaughters. Mrs. Aline left this earth on October 4, 2021, at 10:00 a.m. She had Dale, Bonnie, and Faith by her side. She is survived by her grandson-in-law, Jarrad Robinson, her great-granddaughters, Abigail and Amelia Robinson, as well as 13 nieces and nephews and 29 great-nephews. There was a graveside service Thursday, October 7, 2021 at 2:00 p.m. at Oak Grove Cemetery Iuka, MS. Bro Frank Wadkins of Ludlam Funeral Home in Iuka, MS was entrusted with the arrangements.

In lieu of cemetery flowers, contributions may be made in her memory to the Tishomingo County School Family Dynamics Club sponsored by her daughter, Faith Robinson, and where her son-in-law, Jarrad Robinson, is Athletic Director and Assistant Principal. Aline enjoyed cooking and sewing. She would love knowing students were taught to do those very things as a result of money given in her memory.

When A Child Shall Lead a Wolf, Lion Or Leopard

Most parents would not be comfortable having a child go near a lion or leopard in an effort to pet during the time that reigns on earth this be possible, with no to the child! I gave 11:6 in the last ar-but I commented on one part of it, so here verse again:
The wolf also shall with the lamb, and the leopard shall lie down with the kid; and the calf and the young lion and the

fatting together; and a little child shall lead them." In the original creation this would have been possible, but it is not possible now, unless some wild animal should have been trained to allow petting or leading by a child. It will be a great day when Jesus comes to reign on earth for a period of one thousand years (Revelation 20:1-6). God desired conditions like those described in our verses above for the entire earth and forever,

but man's sin brought an end to the time of "peace on earth". Those who believe that we are living in a time of peace on earth have failed to catch the evening news at any time for decades, for the events around us tell us that peace has not yet come to earth. The wars that nations have fought for centuries, with killing, imprisonment and mental pain, tell us that peace has not yet come to earth. So the Prince of Peace will have to come back to earth to bring about this time of peace.

nor destroy in all My holy mountain: for the earth shall be full of the knowledge of the LORD, as the water covers the sea." We have never seen a time like this, even if our Christmas songs do still say, "Peace on earth, good will to men". We are still looking for both of these, but they will not come until Jesus comes to take charge on earth. Notice that the lion will eat straw like an ox in this time, and that should not be strange, for if God can make a animal strong, as the ox, on grass, then He can make a lion be strong the same way. The young offspring of the cow and bear will lie down in peace with each other. A little child will be able to play around snakes that have been poisonous before, but are no longer so. Now we see that the whole earth will be filled with the knowledge of the LORD, which is certainly not the case in our day, for most of the earth has no desire to know God or to obey Him. This will all change when Jesus comes back to take charge of the entire earth! By J. Briggs King, Rainsville, AL (678) 451-0921

Mae Bonds Gray to Celebrate 90th Birthday

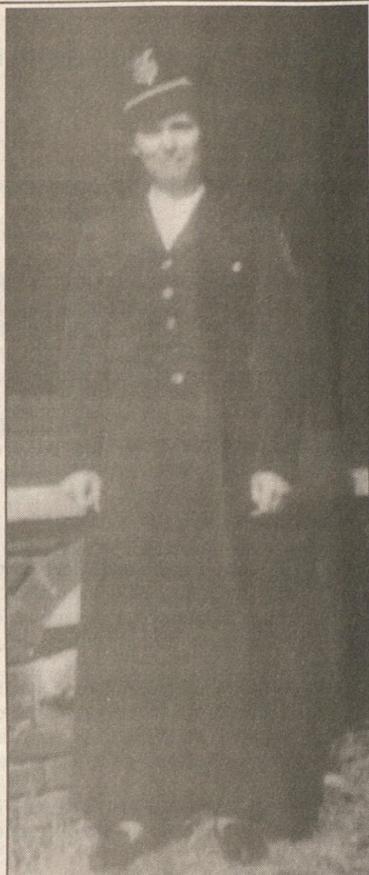

Family and friends please join the Bonds family for a celebration of 90 years of life with Mae Bonds Gray on the 17th of October at 1:30 at her home at 77 CR 197, Iuka.

Anyone who can't join us, but wants to wish her a happy birthday can send her a card or letter at this address.

Our Mom has worked hard all her life. First on her family's farm, then working in candy and soup factories up north. She's made shirts, jackets and shoes in the south. She was also a crossing guard for the Iuka Police Department at the old Iuka High School.

But her most fulfilling job was being both Mom and Dad to her three children. For this, we three are truly thankful and so proud of you.

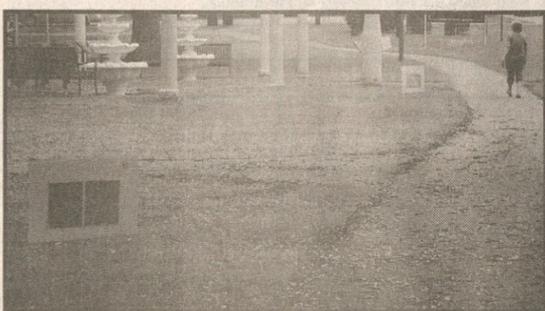

Happy Birthday, we love you Mom.

Back by Popular Demand: NERLStory Walks®

Northeast Regional Library is pleased to announce another round of StoryWalks® for the fall. We invite you to visit walking trails in Belmont, Blue Mountain, Booneville, Corinth, Farmington, Iuka, and Ripley to experience the fun of StoryWalks®.

In Iuka, you can enjoy the Story Walk® around the walking trail at Mineral Springs Park on South Pearl Street. It features the children's book Click, Clack, Moo: Cows That Type, by Doreen Cronin. This is a delightful story that starts when Farmer Brown's cows find a typewriter and start making demands.

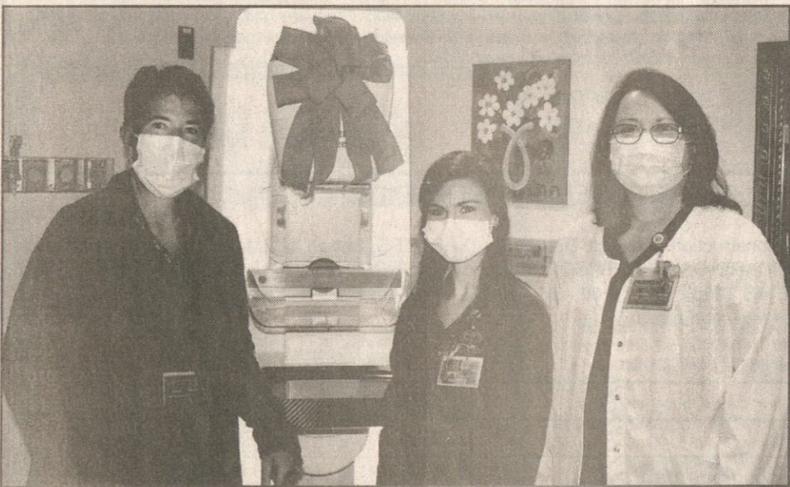

This story will be available for viewing from October 7 -21. Another Story Walk® featuring Julia Donaldson's beloved classic The Gruffalo will be available for viewing in Mineral Spring Park from the week of November 15 through the end of November.

Story Walks® are outdoor reading experiences where a children's book is presented using plastic signs at various

points along a walking trail. Participants walk the trail, stopping at each sign to read the pages of the story.

The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library. Story Walk® is a registered service mark owned by Ms. Ferguson. The Northeast Regional Library is proud to partner with Ms. Ferguson, our local communities, and their Parks and Recreation departments to present Story Walks® in your community.

To view NERL's full schedule of Story Walks® titles and locations or for more information about our services, visit our website at www.nereg.lib.ms.us or call your local library branch.

Kathy Patrick, chief nursing officer; Chelsey Shaw, lead mammographer; and Karen Barnes, director of Radiology Services, show off NMMC-Iuka's new 3-D mammogram machine in the breast care suite.

NMMC-Iuka Offers 3-D Mammography

IUKA -- At North Mississippi Medical Center-Iuka, we know that seeing even the smallest change in a mammogram is key to making a difference in a patient's life. That's why we invested in 3-D mammography technology-- to detect breast cancer early, when it is most treatable.

As of Oct. 1, the North Mississippi Health Services hospitals in Amory, Eupora, Iuka, Tupelo, Pontotoc and West Point, Mississippi, all offer 3-D mammography. The technology is also coming soon to the Hamilton, Alabama, hospital. This new technology, along with annual screenings, will give patients across north Mississippi and northwest Alabama their best chance

to find cancer earlier. "Being able to provide 3-D mammography means fewer call backs and better detection of breast cancer," said Karen Barnes, director of the Radiology Department at NMMC-Iuka. "I am honored to offer this level of care to the people we serve in our community and I know that early detection is best for everybody."

Women over age 40 are encouraged to have a screening mammogram every year. A screening mammogram is for those who do not have a specific breast concern or symptom, such as a lump. If you have a lump or other concern, your provider will recommend diagnostic testing.

Pain and discomfort are top reasons why women skip mammograms. This new technology is tailored to the structure of each woman's breast, so we can deliver a better patient experience with less compression. These new 3-D mammography machines can measure breast density right at the workstation and assess risk before a person leaves the exam.

NMHS is connecting area women to self-scheduled 3-D screening mammograms at the time and location that is most convenient to them.

For more information or to schedule a 3-D screening mammogram, call (662) 377-6655 or 1-866-912-1486.

Braves Fall to Feds on Thursday Night

Caledonia, Miss. --- On Thursday, October 7, 2021 the Braves took the two hour trip South to take on the homestanding Caledonia Feds. The Feds chewed up yardage behind their potent ground game and defeated the Braves 49 to 7.

The game had an inauspicious start as the Feds kicked the opening kickoff into a Brave frontline return man and recovered it. They wasted no time flexing their Triple Option Flexbone attack and quickly went up seven to zero. The Braves had a promising opening drive led by Senior Quarterback Blake Counce connecting with Senior Wideout Mason Daniel for a 31-yard strike. However, the drive stalled out at midfield and the Braves were forced to punt. The Feds again found paydirt quickly and went up 14 to zero. The ensuing Braves drive ended after a Running Back fumble which was recovered by the Feds. That drive was stalled by a Senior Defensive Back Chase Hopkins interception. But the remainder of the first half was all Feds as they took a 30 to zero lead into the locker room.

The Braves were led Offensively by Counce,

who had 106 yards passing and 21 yards receiving on five receptions. Counce connected with Junior Fullback Chandler Williams for the lone Braves score on a 23-yard strike. Daniel added the Point After from the hold of Counce and the Snap of Sophomore Long Snapper Shea Harwell. Defensively, the Braves were again paced by Freshman Linebacker Tristan Poling with 11 tackles, two hurries, and two tackles for loss. Junior Linebacker Jaxson Pryce-Jones added 10 tackles, and Freshman Linebacker Owen Nash contributed with five stops. Senior Defensive Lineman Caleb Bonds added three tackles and a forced fumble. Special Teams was paced by Senior Return Man Bryan Scales with 44 total yards and Daniel who added a 33 yard Punting Average including a booming 40-yard Punt.

Head Coach Richard Russo had this to say, "At times tonight, this was the best we have played in all three phases of Football and of course at times, we look like we have prepared a day. The Triple Option forces you to play Assignment Football each and every snap. We have been preaching to our young

men that we have more consistent sets of our lives game showed us. Game Plan had the men in position some explosive just have to extend our hair is on fire. We do that for 48 minutes the next three games now a three game. We have to scratch claw and Find which is the theme of our season, to get it done something that has been done around in a long time, the MHSAA Playoff the staff believe in young men, but they have to be themselves. They can't, the coaches can't, the alumni players have to be themselves. I can't next Friday at and see what we of."

As mentioned Braves will travel non to take on the standing Red Kickoff is slated p.m.

20th Century Club September Meeting

The Iuka 20th Club met at the Iuka Library on Thursday, September 9th. Due to Covid protocols we were safe in wearing our mask and social distancing. Jo Russell, Beverly Estes, Joy Kitchens, Brenda Irwin, Ruth Ellen Cox, Fredda McCune and Vicki Yates were present. We missed our other club members. We started our meeting with the Pledge of Allegiance.

Brenda Irwin was the Hostess and had the table beautifully decorated for Fall and refreshments enjoyed by all.

Due to the historical date of 9/11 and the terror attack against our country, Ruth Ellen presented a wooden plaque her daughter created which read "Skin color, political

affiliation, and social class didn't matter. We were kind and compassionate to one another. We were all Americans, we still are." The business began with the roll check and telling where you were on this horrific date in history and sharing your memories on that day.

Jo was Program Leader and passed out our New Year books and discussed her special Project on Plant-Recycle-Pick it Up.

We thanked Fredda and Sam again for graciously opening their home along with their time, and hard work in making our yard sale a success this summer!

We discussed projects for the year. It was decided due to Covid restrictions we would not be going to our local nursing

homes for birthdays, instead we were giving our Veterans American flag to nize and honor them we cannot attend son. No more box education due to be scanned. We continue to have our sale this year.

Our next meeting October 14 at 1:00 Library and Sue will be Hostess and Yates will be our Program Leader on our Presidential project plant-choose pick it up. Act will be Trunk or Treat (is scheduled) or the Food Pantry.

The meeting concluded with reading constitution and McCune winning prize.
