NMHS to Open a New Medical Clinic in Tishomingo County

BURNSVILLE, Mississippi - Burnsville Medical Clinic will open in the summer of 2022, offering comprehensive primary care services, with appointments available and walk-ins welcome for medical care close to home.

"We are looking forward to the opening of Burnsville Medical Clinic. Delivering care and service of the highest quality is our passion, and we are excited to have this opportunity in Burnsville," said David Barber, president of North Mississippi Medical Clinics and chief net-

work development officer for North Mississippi Health Services.

Burnsville Medical Clinic will be a division of Tishomingo Health Services and located on Highway 72 just 6 miles from North Mississippi Medical Center-Iuka.

"Better serving the medical needs of Northeast Mississippi residents has long been a priority for our organization," said Barry Keel, North Mississippi Medical Center-Iuka administrator. "We look forward to offering convenient, compassionate care through the new Burnsville Medical Clinic."

Construction will begin in December with a formal groundbreaking ceremony planned for early January.

Mississippi Forestry Commission Visits Tishomingo County

On December 14, the Mississippi Forestry Commission met with members of the Friends of Oak Cemetery at Iuka's Oak Cemetery to discuss the restoration project at Oak Cemetery. In particular, the meeting focused on the planting of new trees in the cemetery.

The Mississippi Forestry Commission provided excellent advice about types of trees that should be selected for the area and information about the best time of year for planting the trees was

shared by our local Mississippi State Forestry Resource Agent, Zachary. "With the destruction of homes, structures, and trees, it has created a much

needed opportunity for organizations, community leaders, and volunteers to work together to evaluate the future health of the trees in our city and develop a plan to manage and preserve them for future generations."

Overall it was a very positive and informative experience which will greatly benefit our area as a whole. The current issues of the damage done to trees in Iuka by the 2021 tornado

were discussed along with planning for future projects.

Some organizations and programs were brought to the attention of those in attendance such as Tree City and the Arbor Day Foundation, both of which would involve individuals of all ages in the community who might be interested in creating and supporting environments for trees in Tishomingo County.

Repairs Begin on Stone Wall Around Oak Grove Cemetery

Work began last week to repair the rock wall facing Ash Street, which surrounds Oak Grove cemetery in Iuka.

It will be a work in progress as weather permits according to the Friends of

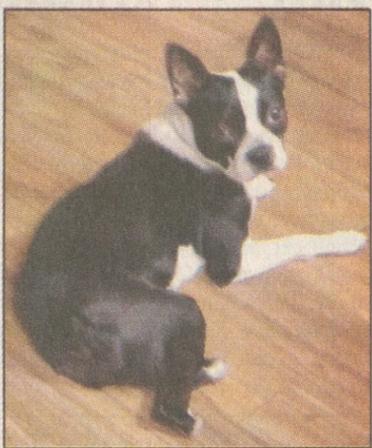

Oak Grove Cemetery. Over the years the wall has fallen into despair from age, and the roots of trees that have spread underneath it. Iuka city workers have tried patching it in areas to maintain the structure. The wall took a hard hit from fallen trees when the tornado came through Iuka on August 21st 2021.

The Friends of Oak Grove Cemetery would like to thank an anonymous donor for his contribution in this much needed repair. At this time donations are still needed and can be mailed to Iuka City Hall- 118 S Pearl St, Iuka, MS 38852 -Payable to oak grove cemetery.

Pet of the Week

Congratulations to Gracie Knubbs Murphy. This sweet girl is the Pet of the Week at Iuka Animal Clinic. Her owner is Jack Murphy. Gracie Knubbs is a very special 8 month old Boston Terrier. She is a rescue who was born with

no rear paws and a condition known as cherry eye. Having nubs in place of paws does not slow her down. She gets around in her own special way and is living life to the fullest. Dr. Jim Perkins operated on her last week to repair her cherry eye issue. She is much happier now without the eye irritation and loves to show everyone how pretty she is. Gracie is very thankful to be well taken care of by her new human dad. Many pups in the world are born with defects or other issues but can live full happy lives with the right care. Although Gracie's special nubs cannot be fixed,

having her eyes repaired made her much more comfortable. Cherry eye is a prolapsed gland of the nictitans. It occurs after a tear gland in a dog's third eyelid becomes inflamed. It appears as a small red mass protruding from the corner of the eye. While it is usually not extremely painful, sometimes a dog will rub at it as if it were itchy. Leaving it untreated can cause decreased tear production which can lead to eye infections, pain and possible blindness. If you notice this or any issue in your pet call Dr. Jim Perkins at 423-3470. He will examine your pet and get them on the road to a healthy life.

What will Happen On Earth When Israel Is Restored?

One might say that Israel has been restored since 1948, and there is a truth in that, yet there is a time of peace that will come to Israel that has not yet come. Even though there is now a nation called Israel, and even though it does have its own government, yet no one would be likely to say that Israel has peace without any disturbance at this time. It may not have occurred to some people that God still has a special work to do in the nation of Israel, for she is yet to recognize Jesus as her Messiah! I never seek to write articles to offend others, but I do seek to bring others to the place to examine what the Bible says on a given subject. For example, we had several centuries of Bible "scholars" who sought to make much of the Bible an allegory, but most of the Bible is to be taken literally. When there is a story that is being told to illustrate something else,

Pastor's Tidbits

by J. Briggs King, Evangelist, Rainsville, Alabama (678) 451-0921

there will be a "key hanging by the door" of that parable or story. For example, when the Bible is using figurative speech, it may say something like: "The kingdom of heaven is likened unto", meaning that there is something in the story that has a likeness to the kingdom of heaven. If no such "key" is there, then it is wise to take each statement at its literal meaning.

Isaiah 54:1-3 says of Israel (see the context for this): "Sing, O barren, thou that didst not bear; break forth into singing, and cry aloud, thou that didst not travail with child: for more are the children of the desolate than the children of the married wife, saith the

LORD. Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes; For thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited." Perhaps some will say, "Why write about the nation of Israel? I am writing about the nation of Israel, because it figures so largely into the events of the times that are yet to come on earth. One big mistake many good men have made is to equate the church with Israel and call it "the new Israel", for there is absolutely no Bible foundation for this. Romans chap-

ter 11 shows Israel being "grafted in" again to the olive tree in the latter days. Our verses above show a barren nation (Israel) that is to sing for joy because of her many "children". We do have some figurative language here, for the word "tent" is used to describe the habitations of Israel at a still future date. It is picturing her growth to that of a tent that is enlarged. Her stakes are to be strengthened, like those of a tent, so that the nation of Israel will be strong, but this will not happen until after the church age is finished and Jesus has returned to finish His work in Israel. Should this seem "foreign" to some people's Bible studies, I would simply plead for a closer study of what God has in mind for earth and His earthly people, Israel, who will have her eyes opened concerning Jesus at a future date. Christmas Under the Stars

Twentieth Century club Christmas Under the Stars was awarded to Wayne and Christy Morgan of 803 N. Wilmoth St. They were given a beautiful poinsettia courtesy of Walmart, Iuka.

Christmas Under the Stars

"Christmas Under the Stars" sponsored by the Iuka 20th Century Club was awarded to Rob and Charlotte Lard. The beautifully decorated home features many of the reasons we celebrate the season. As you drive by their home at 208 West Ash Street you will enjoy an array of beautiful hand-crafted Christmas decorations. Their lovely home features garlands, wreaths, lighted candles in the windows. An eloquent nativity scene featured in the front yard reminds us of the Christmas Story. Other features are Santa and his reindeer, carolers singing under the lamplight and Frosty frolicking. The Lards home makes you appreciate all the hard work that Iuka residents put forth during the Holiday Season. As a token of appreciation, they were presented with a beautiful poinsettia. The 20th Century Club wishes everyone a Merry Christmas and hope that you enjoyed all of the beautiful Christmas lights this year as much

as we did. Several classmates at my elementary school in Tomahawk, Kentucky were fortunate if they had a coat to wear in the winter. Ragged looking shoes on a kid's feet during the winter was a common sight. Several classmates came to school to wash their faces and hands in the boys' bathroom. The school lunch was the only decent meal some of the kids ate during the week. It was a while before President Johnson's 1964 promises started helping our area. Even with the roll out of government assistance many families subsisted until the coal boom of the seventies which has almost died. Today our county is reinventing itself with agriculture, a service center to aid bitcoin mining, tourism and small businesses.

Somehow, Some Way May this be a Christmas Worth Remembering

Dr. Glenn Mollette

We had difficulties when we were growing up in Martin county, Kentucky but overall, we thought we were doing okay. President Lyndon Johnson came to Inez, Kentucky in 1964 to let us know we weren't doing very well. He began his campaign in our community and we became the poster child for American poverty. We hadn't really thought of ourselves as poor until we started hearing about ourselves in the news.

I had numerous friends who didn't get much for Christmas. Often it was one or two small gifts or nothing at all.

I don't remember every Christmas, but I remember one. My dad broke his back falling off a barn when I was a child. He was out of work for several months and in those days, we didn't have government safety nets to see us through tough financial times. Christmas came as usual and we did put up a tree. Our family gathered on Christmas Eve and we had food, fellowship and laughter. We always raised a garden and my parents stored food so it came in handy during tough times.

I expected nothing for Christmas that year because the heaviness of

family financial was obvious to child. Surprised mother handed wrapped box to mas Eve and Christmas. I was because I expected that year. Open box, I found a watch had numbers that in the dark. It cost \$5 but it was to me. I was the wore it every morning look at the glow bers.

Dad was really that Christmas. Temporary disability financial stress gloomy for us. Yet, here I am remembering that Christmas of the best of a during that Christmas. I remember the of family. Mom were alive. We had to eat. We had our heads and had each other.

This may be the best Christmas be, just maybe have Christmas.

The empty painful. Depressed. Financial personal difficulties have disabled millions have died from vid-19. Thousands suffering from tornadoes and hurricanes have us in the East have incinerated. In the midst of inflation eats away at our paychecks checked malignant.

The me Christmas is the peasant parenting difficult to be paid and to sleep but a newborn baby how, they found in each other and who brought their baby through difficult time. We forget their story of plight, it's truly a Christmas worth remembering.

We are going to remember this Christmas no doubt. Someway, with God and each other, may be a Christmas worth remembering.
