History and Photos Needed of Historical **Buildings** in Tishomingo County

The Tishomingo County Historical and Genealogical Society (TCHGS) has formed a Historic Preservation Committee, and we need your help. We are very fortunate to live in a community that exhibits such a love for our history, buildings. artifacts, people, monuments, and all things TISHOMINGO COUNTY! Since the inception of TCHGS, preservation has been one of our prime objectives. We want/need to renew our efforts in this endeavor. Sadly, gone are the days of grant monies to help preserve buildings and historic places, so, we know there are limitations. However, this does not mean that we cannot succeed in completing preservation projects. This just means we must make ourselves more aware of what is a part of our historic heritage and help maintain it. We must become more proactive to preserve the history we currently enjoy.

Wonderful research has been done on many of the houses and buildings throughout our county. A great deal of information has been gathered on the history and architecture of the antebellum homes in Tishomingo County. Now, here at TCHGS, work has begun on a very important project. a new set of historic structures. Many of the homes and buildings are now over 100 years old. We would like for the history of these structures to be documented. We would also like to

have current photographs of these homes/buildings so they can be publicly recognized. This will be a multi-phase endeavor, requiring detailed effortsfrom many different sources. We will begin this program by compiling a list of all homes and structures within the county that are at least 100 years old. If you have such a home or structure, please contact the museum. You will be asked a series of questions including the physical location. mailing address, current ownership, age of the structure to the best of your knowledge, and other such routine questions. Please remember that this applies to any structure that you believe to be over 100 years old. It could be a barn, smokehouse, shed, water tank, fire tower, railroad house, outhouseor any other building that is of historical note. After this step, we will photograph the structure and begin researching the history of the building/location. If possible, museum staff would also like to film the building's owner telling what they know about the history of the structure. As we stated earlier, this will be a work in progress. It will require a great deal of research, time, and effort; however, we feel it is

tions to Blu Rollings. This handsome boy is the Pet of the Week at Iuka Animal Clinic. His human parents are Randy & Mary Ellen Rollings. They would like to tell you the story of Blu. Blu is a chocolate lab/husky mix. As we're sure you can tell when you see his eyes. They are the most beautiful and unusual shade of blue that you have ever seen. He came home

to us in May of 2019. We were told he had energy and boy does he ever. Thank goodness we have a large fenced in vard that he can do laps around our house. We also are very lucky that Blu makes his own outside play toys. He loves to chew the garden hose to varying lengths then brings them to us to throw them for him. His all time favorite activity is going for walks with his dad. Dad measures his speed and distance. His fastest time is 2.7 mph and distance is 1.5 miles. Blu

also loves his siblings. He has a brother that is a black lab named Peter, a black cat that is blind named Jethro, a champagne colored tabby named Houdini. He and Houdini wrestle and he chases her around the house. Blu is a true blessing and we are so lucky to have had him join our family. At Iuka Animal Clinic Dr. Jim Perkins knows that pets are family too and he strives to give your pet the best in veterinary care. Call the office at 423-3470 for an appoint-

Tishomingo County Schools and Trane Partner to Save Energy and Save Money

Three students to each win Apple products in contest promoting energy conservation

Tishomingo County Schools and its energy partner, Trane, a leading global provider of indoor comfort systems and comprehensive facility solutions, have teamed to conduct a light switch plate design contest for the Tishomingo County Schools students.

With utility costs rising every year, the reduction of energy expenses in the Tishomingo County School System is a top priority for the school. Also being addressed through the program with Trane is indoor air quality throughout the district.

The contest is coordinated by the Tishomingo County Schools System, headed by Mrs. Christie Holly.

"The goal of this contest is to create an increased awareness of energy savings habits and get our students involved in the energy conservation project that is underway throughout the school sys-

tem." said Holly. This contest will involve students creating a design for a light switch plate sticker that reminds all facility users to turn off the lights in unoccupied areas. All of the students' entries will be required to be hand drawn, though the text can be computer generated, stenciled, or pressed on. The entry form is available on the district website for printing and copies are also available at each school. The deadline to enter is February 18, 2022.

"The contest is sponsored by Trane as part of our commitment to community and student engagement within the Tishomingo County School System," said Nancy McBee, business development manager for Trane. "It is open to all students in the school system."

Entries will be divided into three categories based on the level of school. Winners will be selected by a panel of judges who will review the entries and award points on four judging criteria: artistry, creativity and originality, overall impression, and communication of a clear and positive message to

turn off the lights in unoccupied areas.

According to Holly, the final judging will take place by February 28th. Each of the three students who create the winning entries will be receiving an award. The elementary winner will receive a new iPad while the middle and high school winners will each receive a new pair of AirPods. The 3 winning students and their designs

will be announced at the March school board meeting.

Most importantly, the winning design for each school level will be printed as a sticker to be used on light switch plates in all schools of the respective winning level.

"If lights are turned off for one additional hour each school day in a classroom with 16 four-lamp light fixtures, the Tishomingo County School System will avoid spending more than \$25 per school year per classroom," said McBee. "This could result in a cost avoidance of over \$50,000.00 a year. This is just one example of how small changes in habits regarding energy use can make a significant difference."

Holly urges all students to try their hand at creating a sticker.

What Will Happen On Earth When Israel Is Restored (part 7)

Please try not to become tired of the same subject throughout several articles, for this subject is so much overlooked, and of such importance, that I feel compelled to attempt to make it clear to my readers. It is not as easy to understand as some parts of the Bible, but all Scripture has been given for our profit (II Timothy 3:16-17). do need to give Romans 11:25-29 at least one more time: "For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fullness of the Gentiles be come in. And so all Israel shall be saved: as it is written, There shall come out of Sion (Zion) the Deliverer, and shall turn away ungodliness from Jacob. For this is My covenant unto them, when I shall take away their sins. As concerning the gospel, they are enemies for your

sakes: but as touching the election, they are beloved for the fathers' sakes. For the gifts and calling of God are without repentance."

When God is finished with His work among the nations (the words: nations, Gentiles and heathen are all the same Greek word) of the earth, He will turn again to the one nation with whom He had made a covenant concerning its restoration, namely Israel. I have thought much about this series and how some may think that I am lingering too long on it, but my reason is that it has suffered much from being overlooked for centuries by the church! When God says "all Isour verses above, He we have accepted Jesus

does not mean that every individual person who is an Israelite will be saved, but rather that the entire nation will be restored, with individuals being saved also, but not all individuals within Israel. The point being made is that the entire nation itself will be "saved" from complete annihilation, and will be restored to usefulness and peace. Notice that our verses say, "As it is written....", so the foundation of this subject is written throughout the Old Testament, but also in particular verses in various books of the Old Testament. Notice that God's covenant with Israel relates to the taking away of their sins, just as He has taken away rael shall be saved" in our sins as Gentiles, if

still fighting against the gospel and the very idea that Jesus died, arose and is now building His church, but opposition to truth does not destroy it. Likewise, opposition to the truth of Israel's future restoration does not destroy the unconditional covenant that God made with Abraham concerning his descendants, Israel!!! Concerning God's election of Israel and individuals in it, that nation is beloved for the sake of the "fathers", meaning the forefathers of Israel, namely Abraham, Isaac, Jacob, David and others. For their sake, God will keep His promise to them. Perhaps I will write later about how David and Jesus, the Son of David, fit into this picture. God's gifts and callings are irreversible, or "without repentance"; they will not change! By J. Briggs King, Rainsville, AL (678) 451-0921

He was born in Golden, MS on September 1, 1948 to the late Kennieth and Lucy Embrey and worked as a tinsmith for C & D Jarnagin. James was a member of the Iuka First United Pentecostal Church where he was on the Board of Trustees for over 45 years and served in various other capacities. He was a local

licensed minister with the United Pentecostal Church International. He was also a member of the Sons of Confeder-

He loved his country fiercely and wanted to give back. His greatest honor was playing "Taps" on his bugle at hundreds of military funerals across the area. James was an avid collector of many things, but among his favorites were guns, bicycles, brass musical instruments, and jokes. He loved his church, his pastor, and the Pentecostal truth. He was extremely proud of his four daughters and his only granddaughter, along with his many grandsons and great-grandsons. It should also be noted that he was a Ford man. He will truly be missed.

Mary Ann Long

(Editor's Note: we at the news office are so saddened at the death of Miss Mary Ann. She visited us often getting papers for her beloved cats. She was a true "southern lady" and we had no idea of the remarkable life she had lived. She often sent us hand-written thank you notes and many times brought us treats. We will miss our sweet friend.)

Mary Ann Long passed away on January 22, 2022. She was born April 2, 1937 in Vaiden, MS. She is survived by her brother, Alvah Carl Long Jr. (Lynnice) of Madison, MS and four nephews. She was preceded in death by her parents, Alvah C. Long Sr. and Jewel Mae Long and her sister Louise Lishman of Huntsville, AL. Graveside services were held in Wnona, MS at Winona Gardens of Memory.

Mary Ann grew up in Vaiden, MS and graduated from Vaiden High School in 1954. Long after she left Vaiden, she maintained her connection to the community and supported her church family at Vaiden Baptist Church. She attended the annual reunion held there in the summer every year until her health made it impossible. She always remembered her Vaiden friends and kept in touch with them, eager to visit with them in person each summer.

Mary Ann left Vaiden to attend Mississippi State University and graduated there in 1958.

She was a dedicated Mississippi State supporter and fan. During her time at State, she was a cheerleader. She laughingly recalled that a young radio announcer, the voice of the Bulldogs, who collected the cheerleaders after their Saturday classes and drove them to the ballgames. The announcer, who had begun work at State just the year before was the legendary Jack Crystil. During her time at State, Mary Ann was a friendly and popular student who was active in organizations and programs on campus. Her popularity on campus led to her being elected to the Homecoming Court.

She became a librarian and teacher. She would eventually retire from the library at Hinds Community College on the main campus. Over the years she lived an active life. She loved to travel and recently said, "My feet have walked in the Holy Land, Europe, and Turkey ... I've been so fortunate." She said she had lived "a good life". She moved to Tishomingo, MS, over 20 years ago to care for aging relatives Austin and Rivers Long Hester who had no children or family close to them. When they passed away, she stayed and made Tishomingo her

Mary Ann continued all her life to loyally follow State. When the Tupelo Daily Journal briefly stopped home delivery in Tishomingo, a friend picked up the paper at a stand early each morning in order for her to get the latest sports news. She would be waiting for the paper to learn what was happening with "my" Bulldogs. She supported the College of Education, establishing an endowed scholarship in memory of her sister. She also established a scholarship in the College of Veterinary Medicine. She was adamant that those scholarship recipients be from the state of Mississippi, always continuing to support the state's youth. When a representative from the Scholarship Foundation at State met with her, she offered to take Mary Ann out to lunch at a fancy restaurant. Mary Ann always declined the offer, but did let her take her to lunch at the mall food court or Chickfil-a. Her second food choice was Subway. Mary Ann was a humble person without any pretense. When State offered her a special football game trip with box seats, food and transportation, she said, "Oh no, that is not necessary, I can watch it on I v.

In Tishomingo over a period of time, Mary Ann became the "Cat Lady". She loved cats and took in all the strays that wandered up. If someone dropped off a cat in town, the clerk at City Hall would call and Mary Ann would immediately pick it up. She took each cat to her veterinarian, Dr. Gina Welton, and made sure it was healthy and got the proper shots. She named each cat and they were like children to her. She knew each one's personality and could always identify each one instantly. True to her State roots, she named one that she dearly loved, "Dak", but also named one "Dan Mullen" because she said "He always wants to run off". She became good friends with all the people who could supply her with the cat food she preferred and they in turn supported her love and care of cats by putting aside just what she needed. If asked how many cats she had, she would laugh and say, "You don't want to know!" While she loved her cats, she loved animals in general and often supported a Thrift Store near her sister's home that was used to fund the ASPCA.

Caring for people in need was just as important to Mary Ann as caring for her cats. In addition to her scholarships, she loved to quietly help people in difficult situations. Most of them never knew that she provided funds for items they received. When hurricane Katrina struck the Mississippi coast, she hired an acquaintance with a truck and loaded up furniture from her home to share with people that she knew who had lost everything. She loved to give the children she came in contact with small gifts. And, she never wanted anyone to do the smallest thing for her unless she paid for their time. Trish Cunetto from Mississippi State who worked with Mary Ann said, "As I go through the rest of my life, I hope I can be as kind and giving as Miss Mary Ann."

Mary Ann's was a life well lived. It is aptly summed up in instructions for all of us all from the Scriptures: Be completely humble and gentle; be patient, bearing one another in love. Ephesians 4:2

Resolution of the Tishomingo County, Mississippi Board of Supervisors

Came this matter on to be heard on the petition of Donald Keith and Stephanie Wilson for the abandonment and closing of a certain portion of County Road 414 pursuant to Section 65-7-121 of the Mississippi Code of 1972, as annotated and amended, and the Board finds the motion is well taken and is hereby sustained. Therefore, the Board does hereby find, order and resolves as follows:

That the Petitioner Donald Keith and Stephanie Wilson are adult resident citizens of 4th District of Tishomingo County, Mississippi and has presented a petition to close a portion of County Road 414 and the Board having considered said petition finds that the land serviced by the portion of County Road 414 is wholly owned by the Petitioner and does not provide primary access to occupied properties; and

The Board further finds and resolves that the traffic on said section of road has been intermittent and of such low volume for a period of the last ten years that no substantial public purpose is being served by the section of road remaining a public road; and

The Board further finds and resolves that for a period of at least the previous five years that County has not maintained such section of County Road 414 as part of the county road system; therefore

The Board does finds that there shall be a public hearing on the question of whether or not to abandon said section of County Road 414 and that notice of said public hearing shall be published in the county paper for at least two consecutive weeks prior to said hearing; and

The Board does hereby set the public hearing to determine this issue for the 7th day of February, 2022 at the Tishomingo County Courthouse at the Boardroom of the Chancery Clerk's office at 1008 Battleground Drive, luka, Mississippi at 10:00 a.m. or as soon thereafter as may be heard.

So found, ordered and resolved this the 18th day of January, 2022.

News from Tishomingo **Community Living Center**

You, the community, made our Christmas great. We, the residents and staff hope you had a wonderful Christmas also. We enjoyed gifts, meals, visits, Christmas Carolers, and watching staff, friends and family decorating our doors.

We would like to say thank you again to a great community for all you did to make Christmas special for us in 2021.

Now on with the new. The New Year is here and we have plans in activities. I was watching a movie recently, in the movie was a man that wrote for a newspaper. This man was asked, why do they call it the NEWS? The newspaper man replied, because it is not old. As I listened to this, I started thinking about that question and answer and of course me being Life Connection Coordinator, (Activity Director), I was thinking about the old and new activities here at TCLC. Yes, residents love the old activities such as: BINGO, reminiscing about the good old days, discussing the old wives tales, singing the good old songs, and I could keep on going but what if, we never add NEW to our daily lives. I would like to share some of our NEW with you. We have made homemade snow, we created snowmen from the snow, we have had a hot chocolate bar, we are trying the Lottery in January for the first time,(TCLC style with big bucks from bingo), we are having a court with a jury (residents being the Jury), and we have used uncooked spaghetti and marshmallows to build structures with them. These structures were judged and money was awarded. (We would like to thank Steve and Crystal from different departments for being the judge, they had a hard job). Other NEW is we are studying the Women of the Bible; this is the first time we have studied them. This being said and a new year, we hope you will enjoy some old activities but we want to encourage everyone to try NEW activities. Maybe you are wondering what NEW could I do? Well, here are a few suggestions.....Maybe start

Resident Tina Moon and Administrator, Jodi Powers, during activity time.

a new hobby, start a new journal for the new year or start journaling, start a new family tradition, study a new topic in the Bible that you have never study before. Have you ever heard of Mephibosheth? Maybe you could look him up in the Bible. I love his story. February is on its way, maybe start thinking now of something NEW for the love ones in your life for Valentine. Have you thought planning a NEW party in February I love this, 2 month, 2 day, in the year of 22. Yes, this is a celebration I have started planning. It will be something NEW. Like my family and friends say, Pam you could go on and on and I could but I won't. For me, in my personal life, I want to start a NEW. I know what that NEW needs to be and I am working on it. We, at TCLC, wish you the best if you decide I want to start a NEW or even if you don't we wish you the best 2022

Most of all, TCLC hopes you will have a great year and stay safe, we love our community.

Remember

by Ruth Dawson

F1ipi n g through FaceBook tonight pulled up the story of "Taps." I'm

sure I have read the history of its writing but I'd forgotten it. I had many students do quite a bit of memory work but I never had them memorize 'Taps", nor did I commit all these verses to memory either but I will now.

When I taught in the lower grades at Paden, I had the Children answer roll-call each morning with a Bible verse. (It would be against federal law to require that now, I'm sure.) Today, I have some of my students that remember the assignment and thank me.

I remember that "Jesus wept" was the most quoted verse. Some of the parents told me, "We have the Bible down every night trying to help their son/daughter find a short verse." I remember when I was growing up, every Sunday at Sunday School, we got a pretty card with a picture on one side and a memory verse and story on the other side. We learned the verse and where it came from each week.

Jack Langly is my grandson, (twin to Cody) and a very accomplished trombone player. He is called to come play Taps for parents of some of his former band members. Sometimes it is during school hours but he goes and honors the fallen hero. When we lived in Memphis/Whitehaven Chester got a call one day from a distant cousin of mine from Hernando. He needed someone to do the eulogy for the Masonic ceremony burial rites. He was told that Chester knew the eulogy. Harbin Farris was the Worshipful Master of the Lodge. Chester told him that he had committed it to memory but he had never preformed the rite for the burial ceremony, but he would try. The deceased's brother was the father of a U.S. Senator or Representative, I don't recall which but it was a well-known family. The day arrived and I went with him. It was out in the country and there was a large crowd. The setting was perfect. I remember that in the distance a pack of beagles were chasing a rabbit. Not another sound

in the world but that. Chester stepped up and did an excellent job. We both were afraid he might forget, but he made me proud of him and the Lodge was very complimentary and thankful of his rendition and for coming to their rescue. Just as the ceremony ended in the distance the sound of "Taps", cold chills ran up my back. So sad. Thank God for the memories that lay buried in our memory box until some incident triggers the memory. Reading the history of the writing of Taps brought back an experience I shall

never forget, pray? Chester and I prayed about this experience that God would be with him and he was.

When Chester died April 4, 2003, I didn't know he had asked Kim to do the eulogy for his burial. I didn't even know Kim knew the memory work. He did. I prayed for those participating in the Masonic ceremony. It is so beautiful and not only brings honor to the deceased but brings honor to God.

There were several masons there but Hafford Gene Luttrell and Brother J. E. Hudson both stood beside and back of Kim just in case he forgot the eulogy. Either one could have prompted him or just continued with the ritual. He needed no prompting. God is so good to His children. He honors His children when prayers are made for the right reasons. Tears flowed down my face in praise in thanksgiving. When Jesus came to the grave of Lazarus, "He wept" because he had lost a dear friend. Never be ashamed of tears. They are safety values and show compassion and love for our sister or brother.

Now at my age, when I should be touching the lives of the children of my

fallen friends I have to stay home for fear of catching Covid. Doctor's orders. Yes I'm afraid of this malady and I'm trying to stay healthy. It is taking its toll on the elderly and it is worldwide. Take care. Be safe and trust God as he is in control of his creation.

TAPS

Day is done, Gone the sun, From the hills, From the lake, From the skies. All is well, Safely rest, God is nigh Go to sleep, Peaceful sleep, May the soldier Or sailor, God keep. On the land Or the deep, Safe in sleep. Love, good night, Must thou go, When the day, And the night Need thee so? All is well. Speedeth all To their rest. Fades the light; And afar Goeth day, And the stars Shineth bright, Fare thee well, Day has gone, Night is on. Thanks and praise, For our days. 'Neath the sun, 'Neath the stars, 'Neath the sky, As we go, This we know, God is nigh.

Politics and You in 2022

By Ken Dulaney Chairman **Tishomingo** County Republican

This week we lost one of the strongest conservative voices in our county, Mrs. Martha Segars. So, before I say anything else, please allow me to pass along to her family, from the entire Tishomingo County Republican Party, the Officers, every elected official from our party, along with every member, our sincere and heartfelt condolences. Martha was a beacon of light to us all. Her kindness and leadership examples will be followed for generations to come. May God bless this family as they mourn this great loss.

I have been asked, recently, an interesting question. "What makes you conservative republican?" This is a great question, especially when we have so many on the national scene going so far to the left. My answer was, "I am absolutely against killing unborn children, I love God, I believe in the Constitution, I respect what our flag stands for, I am for lower taxes and less government intrusion. I am for maintaining liberty for every citizen, and I personally believe that I need to learn to love my neighbor more every single day." That is what makes me a conservative. What makes me a republican is a choice I make in my heart to align with the party that best represents my values. Notice I did not say "represents my values". But with the choices we have today in parties, the republicans are a better fit for me.

I would wager that you hold something close to the same values if you live in Tishomingo County. We do not need to agree on everything or even most things, but we can agree on some things to help make our County a better community for generations to come. On the other things, we can respect one another's differences and work toward learning more and walking in the shoes of that other person a bit more to develop the love for our neighbor that Jesus taught.

In 2022, I plan to buy more from local businesses, (notice I did not say from

Amazon). I will work harder to spend my money and time in our county, using our businesses and promoting them. And, if I can find a way to contribute to the financial health of my local hospital and healthcare provider, I am going to do it. I feel like it is an investment for my grandchildren if nothing else. Believe it or not the recent Supreme Court decision did not help some healthcare providers but may have put them in a no-win situation. That means we could potentially lose healthcare services locally if we aren't careful.

We in the Tishomingo County Republican Party would like to thank our elected leaders in Jackson, Senator Daniel Sparks, Representative Bubba Carpenter, Representative Donnie Bell and their staffs for working so hard to get our teacher pay up above that of our neighboring states, making some sense out of the marijuana mess, and for working to do away with income taxes in our State while lowering the grocery tax. They have worked seemingly around the clock to get as much done as possible and we are very proud of their efforts.

I have had several calls over the past few months about campaign contributions. There are "BAD AC-TORS" out there asking for money every day and some are attempting to take advantage of, and even intimidate, some of our senior

If you are getting mail or phone calls asking you to contribute to a political party, candidate, or organization, please be cautious. Many of these have no connection to the Republican Party or Democrat Party. There is NOTHING they can do if you don t donate so please don>t worry. And, please reach out to your local party leadership to make sure the request is legitimate. My recommendation for folks that want to support the Republican Party is to do one of three things:

If you want to give to a candidate, call that candidate directly. They can help you to donate.

If you want to support Republican candidates in general, consider giving to your county party. Your donation will be more effective in most cases, this way.

If you want to donate to the State Party, go to www.MSGOP.org or donate to the United Republican Fund at https:// secure.winred.com/mississippigop/urf-join

You may notice that the Tishomingo County Republican Party doesn't contact you for donations. That will continue but if you want to donate, feel free to reach out and we will help you find the right fit for you. Email me at krdulaney@gmail.com or send donations to Tishomingo County Republican Party, P.O. Box 907, Belmont, MS

Please consider joining us on the fourth Tuesday of each month to ensure that conservative values remain strong in our county. May God bless you and yours in 2022. It all starts with you.
