## Hate Roadside Trash in Tishomingo County? Spring Cleanup Efforts Starting this Weekend

by Pamela McRae

Most Tishomingo County residents agree that they hate the amount of trash that gets discarded along our roadways, natural areas, and in towns. In addition to just not littering or dumping, and keeping your own property trash and junk-free, there are several opportunities to join with others to keep our county beautiful.

### On the River this Saturday

In preparation for Lake Season, our local Keep Iuka Beautiful volunteers will join with ones from Keep the Tennessee River Beautiful for a cleanup day at the Eastport Boat Ramp this Saturday, March 26th.

Volunteers are invited to come to the boat ramp past Eastport Marina from 10 a.m. To 2 p.m. This Saturday to clean up some messes that have accumulated.

"The sites we located have some EXCESSIVE trash," said Kathleen Gibi, one of the Keep the Tennessee River Beautiful organizers. "One site alone has probably 50-75 bags worth of litter and 15 tires at it, so we could use all the help we can get!"

"This cleanup will be a larger cleanup, with our friends at Living Lands & Waters bringing

their five boats to supplement the KTNRB boat. Join us to help remove litter that has collected along the shorelines of the Tennessee River, much of which was brought here by recent flooding," Gibi said. Go to the [www.keeptnriverbeautiful.org/pickwick](http://www.keeptnriverbeautiful.org/pickwick) site to register, complete a waiver, and get a t-shirt.

Volunteers should bring a mask, bottled water, wear closed-toed shoes and long pants, and are recommended to wear sunblock and bring bug spray.

## Family loses all in Monday night fire on Snowdown Road

A Snowdown Road family lost everything in a house fire around 11 p.m. Monday night.

According to Tishomingo County Fire Coordinator Ricky Cummings, the house fire was fully involved when Iuka Fire Department crews arrived on the scene a little after 11 p.m. The structure was already falling in when fire fighters attempted to enter, he said.

Cummings said that home-

owner Gary Bolton was outside when he heard a popping noise, which turned out to be the back porch on fire when he walked around to check. The fire quickly spread and it ended up being a total loss.

Nearby residents heard what sounded like gunshots, but Cummings confirmed that was likely ammunition that was inside the home.

Other units responding included harmony Central and Snowdown-Pleasant Hill volunteer fire departments.

In addition to Gary Bolton, Elizabeth Bolton and two teens were living at the home.

Neighbors and friends are collecting items for the Bolton family, who lost everything but what they were wearing, and their pets.

## Cycling Season on Trace Impacted by Closure through Tishomingo County

by Pamela McRae

Spring weather means long rides for bicycling enthusiasts, and the extended closure of a local section of the popular Natchez Trace means that some cyclists will be detouring through the county on our busy highways that are not bicycle-friendly.

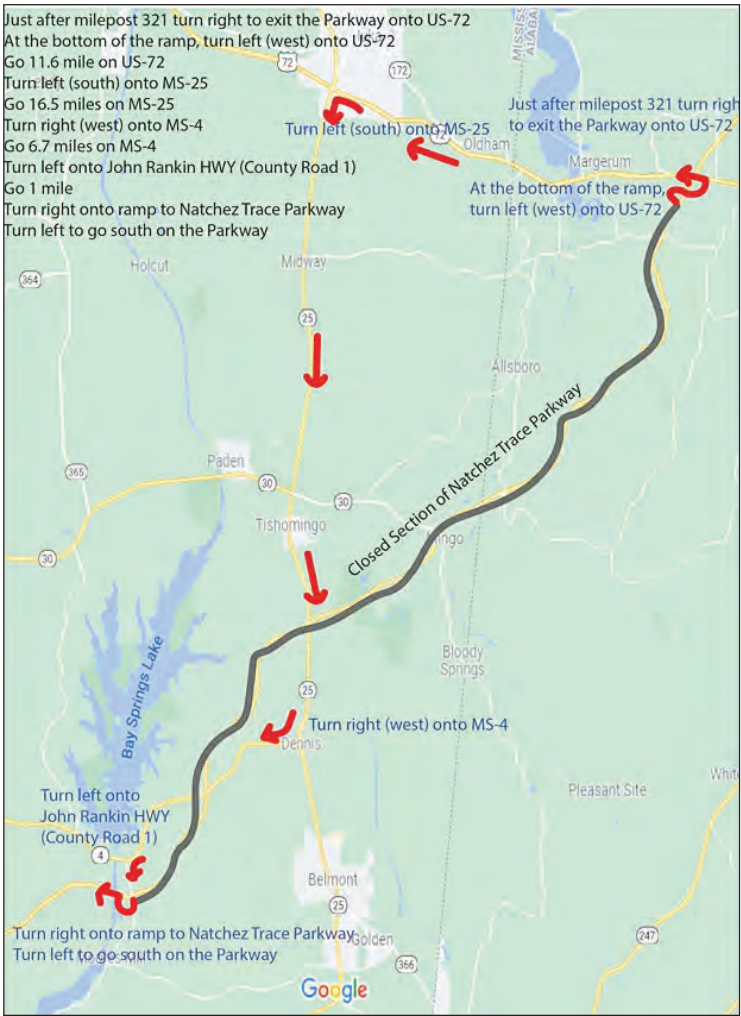

Truck and automobile drivers are urged to be alert to anyone riding along the detour route, which includes Highway 72 from Cherokee, and Highway 25 from Iuka to Dennis.

The Trace is closed for resurfacing/rehabilitation between milepost 321 and milepost 293, and much of that is through Tishomingo County.

If cyclists are not aware of the detour in advance, it could put them riding bikes down highways that are even less bike-friendly than the Trace, which at least has a low speed limit and multiple signs warning drivers to allow room for cyclists.

The National Park Service, who operates and maintains the 444-mile long Trace, designates the entire trek as a bike route. With scenery and gorgeous vistas instead of utility poles, buildings and commercial vehicles, the Trace attracts many recreational riders each year.

Many riders stop and camp

at Tishomingo State Park, which is located right in the middle of the construction zone, but the

Park has not noticed much change in traffic, said Park Manager Joseph Cauthen.

## Hometown Heroes Honored with Plaque at Tishomingo Community Living Center

Local medical personnel who heroically aided those in a local nursing care facility were honored with a plaque and reception March 9th.

Heroes come from many different walks of life. The team of TCLC is one of our town's heroes. Our team members have shown their truly heroic efforts during the Covid-19 pandemic.

As one of our team members said, "March 2020 changed my life". The Team Members of the Tishomingo Community Living Center were honored on March 9<sup>th</sup>, 2022 with a plaque

dedication. The team members, past and present, who served during the Great Pandemic year and the ones who are serving now were honored with our administrator presenting the plaque. A reception for the team members followed the plaque dedication.

The plaque has everyone's name that served and has been displayed in the front entrance of our lobby. Community Elder-care Services wanted to show their appreciation to the team members caring for the well-being of the most vulnerable during the Pandemic.

## Trash cleanups scheduled, continued from front

off with the Great American Clean-up on April 23rd in the city limits of Iuka. Starting at 8 a.m. in Jaybird Park, volunteers will get assignments and go clean up various areas, explained Emily Wadkins Bell, who spearheaded the formation of Keep Iuka Beautiful early this year. Bell is an Iuka Alderwoman.  
Armed with training from parent organizations Keep America Beautiful and Keep Mississippi Beautiful, Iuka committee members have been mapping out the area, identifying areas that need to be cleaned up.  
Future projects include city beautifi-

cation, cigarette butt initiatives, recycling of hazardous waste materials, and much more. This affiliation is a huge benefit to a community and is one of many steps to seeing our community grow and prosper and be proud to live in the area.  
What can individuals do now? Contact Emily Bell if you're interested in being a part of the committee, volunteering, or if you are interested in your group helping with a project. Donations are also welcomed and will be kept under the Keep Iuka Beautiful affiliation. For more information contact Emily Bell at 662-279-1224 or kib@iukams.com.

This photo from 1961 was brought to the *News* office by Norma Sullivan to share with our readers. It belonged to her sister, Dorothy Brown Skinner of Iuka. I

have tried to get the students identified with no luck. We know Roger Skinner is on the third row, first boy, also Ricky Dill and Harold Cole could be on the front row. We would love to have these students identified. Please call Charlotte at 424-2215 if you can help. The photo

was taken at Burnsville Elementary School in 1961-62, 3rd grade with Mrs. Lilla Davis, teacher. Mr. Williams and Mr. Skinner were principals.

During National Library Week April 3-9, Connect With Your Library

Join the branches of the Northeast Regional Library this week as we observe National Library Week during April 3 – 9! National Library Week is a time set aside each year to celebrate our libraries and the many contributions that library workers make to their communities each day. NLW is also a great time to promote the use of your local libraries and to show your support for what they do.

The theme for this year's National Library Week is "Connect with Your Library," which promotes the idea that libraries are places to get connected to technology by using broadband, computers, and other resources. Libraries also offer opportunities to connect with media, programs, and ideas, in addition to books. Most importantly, libraries also connect communities to each other.

Special NLW events this year include NLW coloring sheets to go along with spring themed activity packets for all ages, as well as daily Suggested Family Activities about books and reading on our website. A differ-

ent recorded Story Time will be available each day, with books about libraries and the love of reading being read by various NERL staff.

NERL encourages all community members to visit their local library branch in person or online to explore and access services and programs. NERL offers a wide array of services and materials for educational, information, or recreational use that are available in person or from the comfort of home, including digital materials such as e-books and e-audios. Other library services available include access to public computers, printing and copying, faxing, and helping with reference questions of all kinds.

The 2022 National Library Week Honorary Chair is comedian/writer Molly Shannon, whose mother was a librarian. Shannon spoke of her mother as a woman who "encouraged kids to read. So, the work of librarians and libraries has such a special place in my heart." And as any librarian can tell you, encouraging a child to read

is often the first step in building a lifelong connection. This April, we invite you to join us in discovering more (or discovering anew) the opportunities available within your public library.

For more information about NLW or any of the other services of the Northeast Regional Library, visit the library's website at [www.nereg.lib.ms.us](http://www.nereg.lib.ms.us), call your local library branch, or email us at [photos@nereg.lib.ms.us](mailto:photos@nereg.lib.ms.us).

# Cajun Chicken Pasta an easy family favorite

by Pamela McRae

Thanks for all the nice comments about Zora Lee’s sausage cornbread last week! We have been encouraged to keep this cooking column going!

This week I’m featuring another favorite that’s one of my dear husband’s specialties: Cajun chicken pasta.

We have been making this a long time, so I don’t even remember where we got the original recipe, but it has turned out to be great for weeknights, and even impresses as a Sunday dinner dish. You can spice it up more or less, according to your family’s taste.

We in no way pretend to be Cajun or Creole, nor are experts, but we do love the food from our southern neighbors, and have adapted a few dishes for our family. With a perfectly adorable grandbaby in Baton Rouge, it’s just lagniappe to also get some great food while we are there visiting him! And his parents.

The recipe calls for Andouille (an-dew-ee) sausage, but don’t let that scare you off if you are unfamiliar; smoked sausage is what you want and you can use Conecuh or even Bryan Cajun smoked versions that are easy to find locally.

But we love to make it with the incredible smoked sausage we always make it a point to purchase at Cutrer’s stand in Baton Rouge’s Red Stick Farmer’s Market downtown. Cutrer’s (out of Kentwood, Louisiana) says its a 100-year-old secret recipe of Paw Gaylon’s. Top quality ingredients and seasoning...I highly advise you to NOT look this up online if you are even slightly hungry!

As if this dish wasn’t good enough, sometimes we add some shrimp for the very last 3-4 minutes.

We pair this with a fresh loaf of French bread and a salad for a complete meal. The bread and salad help it to stretch further, so you can take the leftovers for lunch!

- 2 teaspoon Cajun seasoning
- 2 boneless skinless chicken breasts, cut into thin strips
- ½ lb. Andouille sausage, sliced
- 2 tablespoons butter

- ¼ teaspoon dried basil
- ¼ teaspoon lemon-pepper seasoning
- ¼ teaspoon salt

- 1/8 teaspoon garlic powder
- 1/8 teaspoon pepper

# TC Girls beat 6A state champs at Northeast Tournament; get a win against Lady Cards

TC's record is now 14-1, with fourteen straight wins, and they are ranked third in the area in the *Daily Journal*.

## TC 6, Belmont 1

Last Saturday the Lady Braves beat Belmont 6-1 in a cross-county rivalry with a twist; each team has a Reno sister playing.

TC has Nya Reno and Belmont has Kat Reno, and sister Nya even managed to catch one of Kat's line drive hits down the first baseline with runners on 1st and 3rd!

The Lady Braves scored 3 runs in the 2nd inning to take an early 3-0 lead and would not score again until adding 2 in the 5th while holding Belmont scoreless through 6. The Lady Braves added a run in the 7th before giving up a run in the bottom of the 7th, with the Lady Braves getting the win 6-1

"It was a big win for us!" said Coach Jerry Long. Rylie Bearden had six strikeouts for the win. Madi Wadkins and Nya Reno had three this each, with Wadkins adding a double. Maddyx McNatt had two hits, including a double. Lily Ware had a hit and two RBIs.

The Lady Braves JV completed the sweep over the Lady Cardinals getting the win 8-0.

## TC 5, Hernando 1

On Saturday night, the Lady Braves won against defending 6A champion Hernando in the Northeast tournament.

The JV teams played first with Hernando getting the win 10-0. The second game of the night had the Lady Braves coming in with a 13-game win streak on the line. The Lady Braves started quick, scoring 2 runs in the 1st inning and adding 2 more in the 3rd, while holding Hernando to no runs through four innings. Both teams scored one run in the 5th and that's the way it ended 5-1 with the Lady Braves extending their win streak to 14.

"One of the best wins in our softball history, their team was good and we played very well," said Coach Long. "I'm proud of their effort!"

Bearden had eight strikeouts and two hits including a double. Haily Hill, McNatt, Paisley Barnes and Ware all had hits.

The girls were rained out Tuesday evening, but should play Itawamba in a makeup division game soon. Thursday night they head to Caledonia for a division game and Friday they play Alcorn Central.

Thanks to Jerry Charbausk and Coach Long for this story.

# Braves drop division game to Itawamba

from Staff Reports

The Braves threatened almost every inning, but only managed to push two runs across as the Braves went down 6-2 to Itawamba Monday night.

The Braves loaded the bases three times, but were unable to turn any of

those opportunities into runs. The Braves will get another shot at Itawamba Friday night when they travel south to Itawamba territory.

The Braves will travel to Belmont for a day game Saturday and will host Shannon next Tuesday night in a key division game.

Freshman Jackson Moore will get the start against Itawamba Friday.

Senior Gage Tackett continues to be solid at the plate.

## Prehistoric artifact show coming to Pickwick

Want to know what people were doing 10,000 years ago? Then you will not want to miss this upcoming event in Pickwick, Tennessee. Join us April 15 and 16, 2022 at Pickwick Landing State Park conference center for a Prehistoric Artifact Show of North America.

This free to the public educational display of privately owned collections will focus on North American artifacts from well-known sites and individual finds. Experts and museum staff will be available to identify your artifacts and give appraisals. Amateur archaeologists and artifact hobbyists alike will be on-site showcasing their collections. Over 120 tables of the best authentic pieces from North America will be displayed.

“We have some unbelievable collections to showcase”, shared show co-organizer, Jeff Wilkes, chairman of the Tennessee River Museum board, “I’m a lifelong collector, and still get excited in

seeing and finding relics. Imagine being the first person to have touched an arrowhead in hundreds or thousands of years. Something human-made, that has been in the ground for generations, it’s an amazing connection to the past.”

Show hours are Friday, April 15 from noon until 4 pm and Saturday, April 16 from 8 am-3 pm. Admission is free.

On Friday at 7:30 pm, a special lecture by Dr. David Dye, a Memphis University professor, will be presented on-site at Pickwick Lodge. He will speak on the Shiloh Mound Complex and the Shiloh Pipe. Nearby Shiloh National Park is home to the 800-year-old chiefdom complex where the famous Shiloh effigy pipe was excavated. The pipe is now housed inside the Tennessee River Museum in downtown Savannah, Tennessee.

For more information on the Prehistoric Artifact Show of North America, contact Jeff Wilkes at 731-

607-8213 or John Tilley at 423-637-6422. Hardin County Convention and Visitors Bureau invites you to make plans for

# 4-H and Tishomingo County Coalition receive United Way grants

NORTHEAST Miss. – United Way of Northeast Mississippi has officially wrapped up one of the toughest fundraising cycles in its 60-year history with the allocation of 2022-2023 grants to its nonprofit partners.

At their March meeting, the United Way board of directors voted to approve grants totaling \$1,497,467.50 to 53 nonprofit organizations across their eight-county service area. Organizations in Tishomingo County receiving United Way funding include Tishomingo County 4-H (\$2,500), and the Tishomingo County Community Coalition (\$29,340), in addition to regional organizations that serve residents of

Tishomingo County.

“Each organization that applied for United Way funding is doing amazing work,” said Dr. Ormella Cummings, who serves as the Community Impact chair on the United Way board of directors. “We wish that we could have given each of them all the money they requested for their programs. However, we had to make some tough decisions based on how much money we had available. I’m proud of the work of our volunteers in making those hard choices.”

Continuing challenges presented by the Covid-19 pandemic made raising money more difficult for United Way this past year. They fell short of their

target of \$2.6 million, bringing in just over \$2.43 million (or about 94% of the goal), which affected the amount of money available to grant to partner organizations.

Despite the struggles, the United Way staff and board were thankful for the continued generosity of Northeast Mississippians.

“While we didn’t reach our goal, we are very grateful for the support our donors have shown up to support more than 50 agencies and 60 programs that are helping their neighbors in Northeast Mississippi.”

Despite a decrease in campaign donations in 2021, funding for United Way’s community

initiatives continues to grow. “With the Early Childhood Coalition, the Hunger Coalition of Northeast Mississippi, Volunteer Northeast Mississippi, and now the Health Alliance, we can provide additional value to our communities and leverage partnerships with other organizations like CREATE Foundation and our funded partners. Through these initiatives, we have received grant funding from other foundations to do even more work in our area. Today’s United Way is doing more than making grants to partner organizations; we are a part of the impact,” said Patti Parker, president of United Way of Northeast Mississippi.

Organizations approved for the current round of United Way grants will receive their first disbursements on March 15 as part of a two-year funding agreement. Each organization will be responsible for regular reporting to United Way to demonstrate the effectiveness of their pro-

grams based on specific criteria for each program. “Requiring this data is part of making sure that our donors’ investments are being used to create the absolute most impact in our region,” said Nelson. “We are all working together to make real, lasting changes in our local communities.”

# Homemakers, County Council learn about tree identification

The Midway Homemaker's Club and County Council met Tuesday, March 8th at 9 AM at the Fairgrounds building. The club members, one agent, and one visitor/speaker were present.

Leadership training was presented by speaker Michael Vestal. Michael taught on Dendrology or, using a common definition, “Tree Identification and Classification.” He used a PowerPoint presentation and gave each club member a hand-out that contained pictures and particular characteristics of each tree contained within the lesson. Club members enjoyed the presentation and verbally expressed their appreciation to Michael.

Midway County Council Vice President Barbara Pardue called the meeting to order and led the club in the Pledge of Allegiance to the Flag. She then gave a devotional using the scripture-Saint John 3:16. It is our daily prayer of thanksgiving for the depth of God's love. Barbara read the thought for the month by Dr. Seuss: “Today you are ‘You’, that is truer than

true. There is no one alive who is ‘lower than you.’”

The minutes of the previous meeting were read by Betty Hickey and approved as read. The financial report was not given.

### Old Business

Barbara reminded the Club of the State Council meeting on May 23rd and that a Voting Delegate needed to be selected. Two Club members were suggested and selection

will be finalized in the next meeting.

### New Business

Barbara reminded club members to turn in their Cultural Arts exhibit by Noon on April 13th at the Extension office. She also invited club members to hear interesting topics given by various speakers at Lenten luncheons this month. Barbara asked Betty Hickey to continue the meeting business as she was under a time

frame and had to leave. Betty asked for and got three, volunteers for Renaissance Day, April 23rd. With no further business, the meeting was adjourned at 10:50 AM.

IMS hosts annual middle school chess tournament

We hope everyone had a restful spring break! Can you believe we are already halfway through March and our baseball/softball seasons are just getting started? The Lady Chieftains won both games on Monday, which ended up being their season opener! The boys' B team won its game on Monday as well. Hopefully the rain will pass through and let these kids play!

Congratulations to 7th grader Logan Grimes for being the top scorer among 7th graders in the NEMCC Jr. High Math Tournament in early March. We are so proud of Logan and this achievement!
